Laurel Burch™

WE ALL BELONG TO THE SAME TRIBE.

The images created by Laurel Burch, are imaginative and timeless. They are artifacts realized marvelously and inspired by a mythological world, typical of her imagination. Laurel Burch, who learns to paint as an autodidact, considered herself as a folk artist who would tell stories. "In a world that is moving fast," she said, "we need any evocative symbols of the spiritual sphere and its evolution." The Laurel Burch universe continues to bring joy to millions of people around the world, creating the perception that, no matter where we are and when, what our different experiences could be, we all belong to the same tribe.
